*Come Dine With Me!*

Come Dine With Me is our new initiative specifically designed to get those who don't already know each other to form new friendships within our church family.

At the back of church is a sign up sheet with two lists : List A is for those who would like to host. List B is for those who would like to be invited. We will match names from List A together with names from List B and put them in contact. It is then up to the individuals to decide on a venue and a date. It doesn't have to be a three course meal - it could be a meeting up in the pub for a glass of wine or the local cafe with the children.

Singles, if they prefer, may host together or put both their names down together as guests and everyone is very welcome to sign up to both lists.

So, the title, Come Dine With Me, is as far as the similarity with the TV programme ends. There will be no harsh judging of cooking and certainly no scoring but hopefully, we will all be winners!

So come on, put your names down - and get to know people!
