SOUTHWARK SPLASH !

A Messy celebration of baptism at Southwark Cathedral

Our Messy Church team will be hosting an activity at this event as we explore why Christians get baptised, through craft and science activities, music and Bible story-telling. Things to do for all ages, ending with a time of celebration and maybe even a baptism or two!

Some elements will be similar to Messy church here but on a much bigger scale. We would love you to along to enjoy all the different activities.

COME DINE WITH ME

There's no better way to get to know someone properly than eating together, whether it be in a coffee shop, the pub or over Sunday lunch. Would you like to be invited by somebody at church you don't know that well or would you like to invite someone or a family to lunch at a place of your choice?

There are two lists at the back of church - one for those who would like to host and one for those who would like to be invited. You are quite welcome to sign up to both. We will match names from both lists and put you in contact with each other. If you joined in before, then you'll now know how it works and hopefully you will want to sign up again.

LOVEWORKS Fighting food poverty locally

Renewed Hope Trust are now in such a great place with all their support that they have asked that we send food donations to other charities which is fantastic news for them!

Loveworks is a Reigate charity which operates three foodbanks locally and one of those is at the Merstham Hub opposite the Co-op. They also run the Merstham Mix Community Cafe there. We have decided to support Loveworks with food donations at least until such time as Renewed Hope Trust may need our help again.

Alex Reeves will keep in touch with Loveworks and give us a monthly update on the most needed items which can be left in the green bin outside the church office. Right now, the most needed items are tinned meat, veg, fruit, pasta sauce, rice pudding, jam, coffee, Smash, rice and small bags of sugar.

Check out the website www.loveworks.org.uk Volunteers always needed.
